

Huggins Elementary Car Rider Arrival

The car rider line entrance is located off Katy Fulshear Road, next to Centerra Ranch Montessori School.

Assigned staff will be at the front of the school to greet your students. Parents, please wait until you reach the first available cone before your child exits the car. We ask that your child is ready by the time you get to the cone. For safety reasons, we are not able to unbuckle safety restraints. All students will exit the car on the side closest to the building. From 7:15-7:30, all students will enter the building through the front doors and proceed to breakfast in the cafeteria or the gym. Starting at 7:30 students with classes in the temporary buildings can enter through the front gate to the portables unless they need breakfast. Please do not attempt to pass another car while in the car rider line, and stay in a single-file line until you exit the driveway. As a reminder, our doors open at 7:15 am this year. Please do not drop off your child before then, as we do not want them left unattended. Parents will not be permitted to park in the north or west lots and walk their students to the building. Please help keep our students safe!

Huggins Elementary Traffic Pattern

We continue to working closely with LCISD PD and Fulshear PD to ensure the best possible traffic pattern for our car riders. If you will be utilizing the car rider line, please enter the line by traveling north on Katy-Fulshear from Fulshear Bend. Cars will not be permitted to make a left turn into the car-rider line on Katy-Fulshear Road.

Huggins Elementary Car Rider Dismissal

Utilizing the same traffic pattern as morning arrival, please enter the car rider line on Katy-Fulshear Road. Please place your car rider tag on your rearview mirror with the number facing out. A staff member will be walking the line, recording your car rider tag number. You will pull up to the first available cone and the staff member will match the car rider number on your car tag to the number on the child's transportation tag. If you are carpooling, you must have the tags of all the students you are picking up. **We will not release any students without an official car rider tag.** If you do not have the car rider tag you will need to park and come into the building to check your child out in person, making sure you have valid identification. Check-out from the office will occur once the car rider line is clear. For safety reasons, we are not able to buckle safety restraints. Please do not attempt to pass another car while in the car rider line. Please stay in a single file line until you exit the driveway and refrain from passing any vehicles. If you arrive after all numbers have been inputted into the system, you will be advised to park and check your child out in the office. Please remember that the school day ends at 3:10pm. All cars should be in line by this time so that we can effectively coordinate dismissal.

Please note that the first couple of weeks of school, we anticipate a longer car rider arrival and dismissal as students, staff, and parents work through the process. Our number one goal will always be student safety!

Thank you for your cooperation to ensure we have a safe and efficient car rider line!
